I-20 Extension Application

If the time that was estimated for you to complete your program on your I-20 is going to expire and you intend to attend NCC, your I-20 must be extended before its expiration date. Failure to comply with this requirement will result in completion of your F1 status. You should submit all required documents at least a month in advance. If you are planning to transfer to another school or graduating, make sure to talk to an international student advisor.

How to apply:

1. Fill out this form completely. All information must be current and accurate.
2. Attach a degree evaluation which you can obtain via. myNCC portal.
Or you can request it from your academic department or advisor.
3. Attach all new financial documents. Please refer to "Financial Statement Form" on IE website.
