NASSAU COMMUNITY COLLEGE

An NCC Tradition Renews

Homecoming and Alumni Day Message from the Chief Administrative Officer

Homecoming and Alumni Day at Nassau Community College is a time for Lions of the past, present, and future to rejoice in our College's traditions and school spirit.

To our alumni, numbering 162,000 strong, we thank you for the sustained support of your alma mater and for your contributions to the NCC Alumni Association and Nassau Community College Foundation scholarship funds, which benefit incoming and continuing students.

To our 14,000 current students, we hope you will take full advantage of the exciting opportunities of active campus life, connect with alumni, and make lasting memories of your own.

To our faculty and staff who work successfully each day to ensure the academic and personal success of every student, we thank you for fostering an inviting and caring community.

We are proud to cheer on the Orange and Navy!

The Nassau Lions, led by Coach Jamel Ramsay, are repeatedly ranked one of the top football teams in the country.

At half-time, we look forward to honoring:

- The men's wrestling team for winning the 2023 NJCAA National Championship — NCC's 10th National Wrestling Championship.
- Baseball student-athlete Julio Lizardo for winning the NJCAA National Golden Glove Award for third base.
- Our dedicated faculty members who have been nominated by a student athlete for positively impacting their academic journey at NCC.

As Nassau County's hometown college, we are grateful to Nassau County Executive Bruce Blakeman and our elected officials for partnering with us to host the football game and festivities at the historic Mitchel Field Athletic Complex.

This Fall marks our 64th year of transforming lives through excellence in higher education. This exceptional College jumpstarted my journey, personally and professionally, and I hope it does the same for you. Let today be a celebration of our extraordinary history and our continued efforts together.

Welcome home!

Sincerely,
